EXPERIENCE:

Creedmoor Psychiatric Center

Inpatient Social Worker

Queens, NY

11/24 - Present

- Lead group therapy sessions to help patients develop coping and social skills, learn about different types of mental health disorders, and build social connections
- Work collaboratively with other members of the treatment team including physicians, nurses, and group leaders, to ensure coordinated care so clients receive the necessary support and services
- Maintain accurate and up-to-date records of group session summaries and patient progress including clients' treatment plan, progress notes, and service plan
- Assess clients' travel training, financial management, independent living skills, medication compliance, and ADLs/IADLs
- Coordinate family support and keep families updated on clients' needs and progress for their mental health recovery
- Provide individual counseling services to support discharge plan

XIAORAN (LIVIA) LIU, MSW

xl6461@nyu.edu

Queens Affective Neuroscience Lab (QAN Lab)

Research Assistant

Queens, NY

09/24- Present

- Schedule participants for appointments and run experiments independently
- Support the research project across various stages and provide literature review

Selfhelp New York Connects

Social worker

Queens, NY

08/24-11/24

- Performed client intake by phone and in-person. Took information from clients or collateral (e.g., family members, physicians, etc.) to determine eligibility and service needs
- Screened for benefits and entitlements, can assist with applications and advocacy for government-funded and privately funded programs
- Provided person-centered options counseling around client preference for services

Human Language Analysis Beings (HLAB) Research Lab

Research Assistant

Stony Brook, NY

05/22 - 08/23

- Classified the relationship between linguistic elements and provided annotations of language segments
- Wrote research prompts and measurement steps for the research project
- Helped with recruitment and running experiments with the participants

Psychiatric Doctor Office of Jiangping Zhang, MD & PHD

Receptionist & Intake Specialist

Queens, NY

04/22 - 06/23

- Scheduled appointments, accessed patient information, and processed payments through MDLand's iClinic system
- Kept a journal of accounting for payments
- Provided initial intake and completed clinical documentation and forms

Creedmoor Psychiatric Center

Inpatient Social Worker Intern

Queens, NY

08/22 - 05/23

- Conducted initial screening and evaluation of patients
- Provided weekly group and individual psychotherapy sessions
- Wrote annual treatment plans, core histories, progress notes, and psychosocial assessments
- Coordinated patient discharge and continuity of care planning

World Trade Center Personality & Health Project

Research Assistant

Stony Brook, NY

04/22 - 08/22

- Collected, cleaned data, and edited data for ETL (Extract, transform, load)
- Assessed and tracked both the mental and physical health of first responders to 9/11

Big Brothers Big Sisters of Long Island

Enrollment Team Intern

Westbury, NY

09/21 - 05/22

- Interviewed volunteers and client families, including both parents and children
- Assessed eligibility through interviews and RPI survey
- Evaluated and wrote assessments through Matchforce
